### III. HONORARY MASTER'S DEGREES

I recommend that the Board approve and authorize the awarding of an Honorary Master's Degree in Communications to Mr. Billy Thompson and an Honorary Master's Degree in Educational Administration to Miss George Alice Motley, at the 1971 Spring Commencement.

- (1) Mr. Billy Thompson is a native of Georgetown, Kentucky, where he graduated from the Garth High School. He attended Georgetown College and began work in the field of communication as a high school freshman in 1935. He was connected with the Lexington Herald for 25 years as general news reporter, member of the sports staff and as sports editor. Mr. Thompson was honored as the Kentucky Sports Writer in 1965. He joined the staff of WLEX-TV in 1966 where he has served since as News Director. Mr. Thompson is seen on television reporting local and regional news from 5:30 to 6:30 weekdays and reporting his special "Week on Film in Review" on Sunday nights.
- (2) Miss George Alice Motley was graduated from Morehead State Teachers College with a baccalaureate degree in August 1947. She attended the elementary schools in Menifee County and graduated from Ezel High School. She served as an elementary teacher in the Menifee County schools from 1932 to 1947. Miss Motley was elected to the superintendency of the Menifee County Schools in 1947 and is completing her 24th year in that capacity.

Under her administration the first county high school was constructed in 1957 and a consolidated plan was adopted and completed with the completion of two elementary school buildings in 1965. The education programs in Menifee County have been expanded to provide adequate physical facilities, competent teaching personnel, improved programs of instruction and service to the youth of the county.

### IV. COMMITTEE ON RESERVE OFFICERS TRAINING CORPS

At a meeting of the Board of Regents on December 10, 1970, the Board authorized the President of the University to appoint a nine-member committee composed of students, faculty, and administrators charged with the responsibility of studying the status of the Department of Military Science.

In agreement with Dr. Frank Mangrum, Faculty Representative on the Board of Regents, and Mr. Jack Sims, Student Representative, the following committee was appointed:

DDG636

Dr. John Kleber, Faculty, Committee Chairman  
Dr. Adron Doran, President  
Dr. Frank Mangrum, Faculty  
Dr. Morris Caudill, Associate Dean  
Dr. Ray Hornback, Vice President  
Colonel Arthur Kelly, Faculty  
Mr. Robert Williams, Graduate Student  
Mr. Jack Sims, Student  
Mr. James Daugherty, Student

This committee reported its findings and recommendations to the Board of Regents at its regular meeting on April 7, 1971, and the Board unanimously approved the committee's report. Included in the committee's report was a recommendation that the Board "authorize the committee to proceed to develop ways and means whereby entering freshmen can be involved in an organized formal orientation program through which a deeper understanding of the individual's responsibility for national security is developed and an introduction of the student made to Military Science as an elective effort."

The committee has held a number of meetings subsequent to the Board's charge and is in agreement that a nine-weeks introductory course in national security should be made available to all entering freshmen who do not elect to enroll in Military Science 101. If at the end of the nine-weeks period the students who have entered and completed the introductory course in national security desire to transfer to Military Science 101, credit will be given in Military Science for the entire semester. If at the end of the nine-weeks period the students who have been enrolled in the introductory course in national security decide they do not desire to continue in Military Science 101, they will be given 1 semester hour credit for the nine-weeks introductory course.

The committee recommends that the following topics be included in the introductory course:

History of Security  
Conscription - Yesterday and Today  
The Selective Service  
International Economics and War  
Moral Decisions and War  
The Military-Industrial Complex  
The Role of Military Power in International Politics  
Threats to World Peace  
Opportunities and Careers in the Military

The classes in this introductory course will meet for two hours each week and will be taught by University faculty, military officers, and outstanding state and national authorities in their respective fields.

The syllabi for the introductory course and the topics to be discussed will be developed by Dr. Paul Ford Davis, Vice President for Academic Affairs; Dr. Morris Caudill, Dean of Undergraduate Programs; and Colonel Arthur Kelly, Professor of Military Science.

Information concerning this introductory course will be made available to all academic advisors who will be in position to discuss the course with their advisees.

The committee recommends that the Board of Regents authorize the President to seek out and designate a person from the present faculty and/or staff who will serve as an advisor in student affairs on the questions of Selective Service.

The committee believes that they have reached agreement on and solutions to some perplexing questions and knotty problems relating to the Department of Military Science. We believe that we will be in position to strengthen the ROTC program and to make it more acceptable to the academic community.

#### V. COMMITTEE ON NAMING OF UNIVERSITY FACILITIES

On April 9, 1971, the President named the following committee:

|                               |                      |

The committee was instructed to consider individuals who are currently associated with the University or who have been associated with the University whose names do not appear on campus buildings but are entitled to be honored by the University by placing their names on certain classrooms, conference rooms, laboratories, studios, and assembly rooms.

The committee has met and unanimously recommends that:

- (4) room 325 in Lappin Hall be designated as the Fenton T. West Museum of Natural Science and History in memory and in honor of Dr. Fenton T. West who served as Chairman of the Division of Sciences and Mathematics during the period 1949-58.

I recommend that the Board of Regents approve the recommendations of this committee and authorize an appropriate plaque to be placed in each of the rooms indicating the name of the honoree.

#### VI. STUDENT FEE FOR SPECIAL EVENTS

On December 2, 1970, the Student Council approved a proposal to raise the Student Fee for Special Events from \$5 to \$10 each semester for full-time students. The proposal was submitted to the Student Life Committee which authorized a student referendum on the issue. The question was submitted to the student body on April 13, 1971, with 915 votes being cast. The results of the vote showed 618 students voting in the affirmative and 297 students voting in the negative.

On the basis of this overwhelming majority of affirmative votes, the Student Life Committee has recommended to the President that the Special Events Fee be raised to \$10 for the fall semester of 1971 and that the fee be administered under the guidelines established by the Student Life Committee for the Special Events Fee.

I recommend that the Board of Regents authorize the Vice President for Fiscal Affairs to levy and collect \$10 per full-time student for each semester to be credited to the Special Events Fund beginning with the 1971 fall semester.

#### VII. SALE OF CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES G

On April 7, 1971, the Board approved the sale of Consolidated Educational Buildings Revenue Bonds, Series G, in the amount of \$6,300,000 and designated a bid opening on April 21, 1971, at 10 a.m.

At that time two bids were received by the Chairman. The first bid was from John Nuveen and Company, Inc., and represented a net interest cost of 6.3812 per cent. The second bid was received from Blyth and Company, Inc., and represented a net interest cost of 6.609225 per cent. Copies of these bids are attached for your information as Exhibit III.

The bids were reviewed by Mr. Tom Dupree, the Fiscal Agent; Mr. James Brickey, Director of Fiscal Management, Department of Finance; Mr. Cornelius Grafton, Bond Attorney; Mr. Paul Ruby, representing John Nuveen and Company, Inc.; and Mr. Russell McClure, Treasurer of the Board.

This review found the bids to be in order and the interest rate calculated correctly. Whereupon Chairman Butler accepted the bid of John Nuveen and Company, Inc. at an interest rate of 6.3812.

The bonds were printed by the Security-Columbian Banknote Company and shipped to Lexington, Kentucky, on Friday, May 7, 1971, for the Secretary of the Board of Regents to sign them.

The bonds will then be delivered on Wednesday, May 12, 1971, to John Nuveen and Company, Inc. in Chicago, Illinois, by Mr. Tom Dupree; Mrs. Frances Travis, Assistant State Treasurer; and Mr. Russell McClure, Treasurer of the Board.

Upon receiving the proceeds a deposit will be made with the Kentucky State Treasurer into the Capital Construction Fund to the proper project accounts.

#### VIII.. CONSTITUTION OF THE STUDENT ASSOCIATION

The Student Council of Morehead State University has been working during the current academic year on the revision of its constitution. The document was completed and submitted to the Student Life Committee for approval. The Student Life Committee approved the proposed constitution and authorized a student referendum which was conducted on April 29, 1971. There were 898 students who voted in the election with 691 students voting "yes" and 207 voting "no." The Student Life Committee has recommended that the Board of Regents give consideration to the proposed constitution of the Morehead State University Student Association.

DDG636

## (Exhibit IV)

I recommend that the proposed constitution which has been approved by the Student Life Committee and a majority vote of the students be accepted by the Board of Regents.

I further propose that this document be referred to the Administrative Council for its study and reaction. After the Administrative Council has considered the document and members of the Board of Regents have had opportunity to consider the proposal, I recommend that the Board take action on the measure at its next meeting.

Consolidated Educational Buildings Revenue Bonds  
Series G

The Board of Regents of Morehead State University, in its corporate capacity, and as an educational agency and instrumentality of the Commonwealth of Kentucky, hereby gives public notice that until the 21st day of April, 1971, at the hour of 10:00 A.M., Eastern Standard Time, it will receive in the office of the President of the University, in the Administration Building, Morehead State University, Morehead, Kentucky, sealed competitive bids for the purchase of its \$6,300,000 "Consolidated Educational Buildings Revenue Bonds, Series G," dated May 1, 1971, being negotiable, coupon revenue bonds in the denomination of \$5,000 each, registrable as to principal only, and maturing as to principal serially in various amounts on May 1 in each of the years 1973 to 2001, inclusive; provided, however, that the bonds maturing May 1, 1982, and thereafter, will be subject to prior redemption at the option of the Board of Regents on any interest payment date (May 1 and November 1) on and after May 1, 1981. The maturity schedule and terms of redemption are set forth in the "Official Statement" to which reference is hereinafter made. Principal and interest will be payable at the principal office of the Trustee, Citizens Fidelity Bank and Trust Company, Louisville, Kentucky, or, at the option of the holders, at the principal office of Chemical Bank, New York, New York.

The Board of Regents has, by Resolution, created its "Consolidated Educational Buildings Project" comprising all educational buildings now existing and hereafter erected upon the Campus of the University in Rowan County, Kentucky, with the exception of housing buildings and facilities and all buildings exclusively for athletics, as distinguished from those which are, or may be, wholly or principally for physical education; and has pledged the revenues thereof consisting of student registration fees imposed upon and collected from all students attending the University at Morehead, Kentucky, for the services furnished by the Consolidated Educational Buildings Project. The bonds have been authorized and will be issued pursuant to authority of Section 162.340, et seq., of the Kentucky Revised Statutes and a Series Resolution duly adopted by the Board of Regents; and will be additionally secured by a statutory mortgage lien upon all buildings comprising the said Project.

All bids shall be for the purchase of not less than the total \$6,300,000 Series G Bonds at a price of not less than \$6,174,000 (98% of face amount); such interest to be at the rate or rates specified in the successful bid in multiples of 1/8 or 1/10 of 1%, not more than one coupon rate per maturity, the differential between the highest and the lowest coupon rates stipulated in any bid not to exceed two (2%) percentage points, and such interest being payable on the first days of May and November of each year, beginning November 1, 1971. Bids are required to be submitted on the Official Bid Form furnished by the Board, and each bid must be accompanied by an unconditional certified or cashier's check on a state or national bank in the sum of \$63,000 payable to the order of the Treasurer of Morehead State University, and each bid must be enclosed in a sealed envelope marked "Proposal for Bonds." The Board will not entertain any bid which proposes that interest becoming due on any bond on any interest payment date be represented by more than one coupon; nor that any bond bear interest otherwise than at a single rate from date to maturity; nor which contains an offer to cancel any interest coupons. Subject to the reserved right to reject bids, the bonds will be awarded to the bidder whose bid produces the lowest net interest cost to the University.

Award or rejection of bids will be made on the date above stated for the receipt of bids, and checks of the unsuccessful bidders will be returned immediately. The check of the successful bidder will be held uncashed as security for the performance of the bid as accepted, but in the event the successful bidder shall fail to comply with the terms of said bid, the check may then be cashed and the proceeds thereof retained as and for agreed liquidated damages. If it shall be found impossible by the Board to issue and deliver the bonds, the check will be returned.

The Board of Regents will provide at delivery, without expense to the purchaser, the prepared and executed bonds, the customary closing documents, including the no-litigation certificate, and the unqualified approving legal opinion of Grafton, Ferguson, Fleischer & Harper, Louisville, Kentucky. Delivery of the bonds will be made in any city in the continental United States (exclusive of Alaska) at the expense of the Board. The offering is upon the basis that at the time of delivery the receipt of interest on other similar bonds is exempt from Federal and Kentucky income taxation; and that at such time the bonds are exempt from all ad valorem taxation in Kentucky. The right to reject bids is expressly reserved.

Copies of the Official Statement and of the Official Bid Form may be obtained by addressing the President of the University at Morehead, Kentucky; or Dupree & Company, Inc., Security Trust Building, Lexington, Kentucky 40507.
